

How else can I help?

We're not done yet! We have more ideas!

Tell your friends

If you're excited about what's happening in our church, then tell your friends! Lots of people don't know there is a welcoming church in Greeley, and you might help a family find a place where they can be loved.

Get creative

Kids always have the best ideas. So don't just take our ideas - come up with your own! Use the blank space below to imagine how else someone might be able to help us achieve our goal. Even if it's not a way YOU think you'd like to help, your idea could inspire someone else!

Now what?

Now that you know what a pledge is and have a few ideas, choose one or two ways that you'd like to help us reach our goal! It's okay to make this decision slowly and thoughtfully. Think hard. Pray. Ask if it's realistic for you to do. Talk to your adults about whether or not you'll need help. If you will, make a plan for how you can work together. If the adults at home can't help with your project, talk to Ben, Tamara, Laura, or Tammi. We'd love to help you find the adult you need! Then, grab your pledge card, complete it together and bring it back to church on November 7th!

In Greeley for Good Gift Guide for Kids!

What is a pledge? Why are you asking for them?

Since our whole church community is working together as a team to raise one and a half million dollars (that's \$1,500,000!!!), it's going to take a little bit from a lot of people! But we don't just need money. We also need ideas, time, strong arms, willing hands, and lots of prayer.

On November 7th, we will ask you if you want to commit to doing one or more things to support our capital campaign. This is called a pledge. Pray about what God is asking you to do - and then let us know by filling out your pledge card. When you make a pledge, you help us plan. Pledges help us answer important questions like these:

- Who is willing to share their ideas and help us dream and imagine? There are probably lots of things we haven't thought of yet!
- How much money is in our budget? Every family has a budget and our church family is no different - we can only spend as much money as we have.
- Who will help us do work like painting, moving furniture, and picking out art?
- Who will be our encouragers when a project gets hard or starts to feel overwhelming?

Can you think of someone in our church family who might be good at each of these things? (Maybe some of them are even you!)

How can I help?

Give your time

There will be ways to help, even for kids. Come with an adult to help make our space with a "how can I help?" attitude. We will put you to work!

Give your resources

Adults will be giving money to help make this project happen. If you have your own money you want to give, like a part of your allowance, you can do that! You can also choose to raise money with a project of your choice, like a lemonade stand or a cookie sale. You are creative!

Give your ideas

The church staff and the capital campaign team would love to hear your ideas! Kids have a special view that adults are missing. If you think we missed something or we need something else for kids, let us know!

Pray

We believe that prayer matters and that God will make this project even cooler. Can you pray for...

- wisdom for the adults making final decisions?
- the money to be spent well?
- that we raise the money we need to do everything we are hoping to do?
- the workers to stay safe?
- all the ideas to be the right ones for our community?
- that our space is welcoming for everyone who needs to know God's love?

When you pray, listen to what God is saying in your heart. We'd love to hear what God says to you!
